DEPT OF TRANSPORTATION
STATISTICS
99 JUN -7 PM 2:48

Dear Ms. Hope:

On May 13, Trans States Airlines (TSA) petitioned for review of a May 3, 1999, staff action requesting copies of ticket lift documents and supporting information for three cities on two days of March 1999. The Director of the Office of Airline Information affirmed the action in a May 25, 1999, letter to TSA. The petition for review is now pending before the Director of the Bureau of Transportation Statistics.

TSA may respond to the May 25 letter by submitting additional information, provided it is in accordance with 49 C.F.R. § 385.3 l(b). Any additional information must be submitted within 10 days after the date of this letter.

If you have any questions, please contact David Mednick of my staff at (202) 366-887 1.

Sincerely,

Ashish Sen
